General Information

1. So as to make the bus routes run smoothly; please have your student at the stop **5 minutes** before pick-up in the mornings. Also, make sure if someone is meeting them at their drop-off stop, that they are also there **5 minutes** before time.
2. **The morning times are when the buses will be leaving from the stop.** If you are running late you'll need to contact your driver and check your timetable for the next available stop. **Drivers are unable to wait.**
3. If your bus hasn't arrived on time please wait an extra couple of minutes. Then call them, as sometimes unexpected things can happen.
4. We will not drop any student off anywhere other than specified stop unless the driver has received permission from the parent directly.
5. You need to contact your driver if your student will not be catching the bus. Refer to other Information on page 9 in Bus Policy/Procedure Booklet.
6. Just a reminder that the students are allowed to eat & drink on the buses providing the food is non-messy. Any rubbish must be placed in the bin/s provided.
