Dear Year 10 Students, parents and guardians

Senior Pathways in 2022 – Online Information session

Welcome to the 2021 online Senior Pathways Information Session for Year 11 in 2022.

Although we spent some time in Pastoral Care and Careers sessions last term briefing students on course options for Year 11 next year, most students have indicated an interest in pursuing either a VCE or VCAL course pathway. This year we are asking students to complete the survey below, indicating which subjects they are interested in doing as part of their Year 11 studies. The results of these preferences will determine which subjects will be available for students to choose, according to the subject selection grid which will be created from the student survey input. Once the subject gridlines are finalised, students will be asked to confirm which subjects they wish to undertake in Year 11 2022.

By following each of the steps below, you can access the relevant links to guide you through the course and subject selections for Year 11 2022.

Step 1: Careers overview: Watch this video presented by our Careers Practitioner (Mrs Jane Tabak) which outlines the process students follow throughout their Senior Years at GBC in mapping out their Career pathways.

- o **Video 1 Link:** [Careers video.mp4](#)

Step 2: VCE subject Information: (Year 11 2022) Click on the corresponding links for more information on each of the following subject areas.

- **Biology:** [Biology video.mp4](#)
- **Business Management:** [Business Management video.mp4](#)
- **Chemistry:** [Chemistry video.mp4](#)
- **Economics:** [Economics video.mp4](#) [VCAA Make It Economics video.mp4](#)
- **English:** [English Units 1 & 2 video.mp4](#) [English Units 3 & 4 video.mp4](#)
- **Food Studies:** [Food Studies video.mp4](#)
- **Health and Human Development:** [HHD video.mp4](#)
- **History:** [History video.mp4](#)
- **Legal Studies:** [Legal Studies video.mp4](#)
- **Maths Overview:** [Maths Overview video.mp4](#)
- **Mathematical Methods:** [Mathematical Methods video.mp4](#)
- **Media:** [Media Studies video.mp4](#)
- **Outdoor Environmental Studies:** [OES pdf file.pdf](#)
- **Physical Education:** [PE pdf file.pdf](#)
- **Physics:** [Physics video.mp4](#)
- **Politics:** [Politics Units 1 & 2 video.mp4](#) [Politics Units 3 & 4 video.mp4](#)
- **Product Design Technology:** [PDT pdf file.pdf](#)
- **Psychology:** [Psychology video.mp4](#)
- **Studio Arts:** [Studio Arts pdf file.pdf](#)
- **Visual Communication Design:** [VCD video.mp4](#)

Step 3: Subject selection survey: Now that you have considered each of the subjects that may interest you above, **please complete the online survey now**, by clicking on the following link.

- o Survey monkey link: <https://www.surveymonkey.com/r/6Q7LZZD>

The most important thing at this stage for all Year 10 students is to complete the online survey ASAP, so the subject gridlines can be finalised for students to confirm their Year 11 subject selections. Therefore, could all Year 10 students please complete this survey **no later than 4.00pm on Thursday 2 September**. The data from any late forms will not be considered to finalise the subject gridlines.

I have included links to the following *additional resources from 2020* if needed.

- Senior Pathways Handbook - [Senior Pathways Handbook.pdf](#)
- Senior Pathways Information session power point - [Senior Pathways Information Session power point converted to pdf.pdf](#)

Should you have any further enquiries, or require assistance, please do not hesitate to email me.

Yours sincerely,

Mr Steve Sobey
